

Concord Piecemakers
2022 Quilt Show
Boutique Information Sheet

The Boutique is our gift shop at the quilt show. It is another way for Concord Piecemakers to show off our talent as a guild and receive a little compensation for our efforts! This is the opportunity to display and sell beautifully crafted, newly made gift items.

Ideas for the Boutique

Handcrafted Children's Toys: This is a popular category for the boutique. Many of our guests at the quilt show will have children with them. Please consider making some items that sell for \$10 or less that will appeal to children.

Holiday/Home Décor Items: Napkins, table runners, placemats, small wall hangings, pillows, ornaments. Thanksgiving and Christmas are just around the corner from our quilt show. It is not too soon to showcase these items. Even though most of our attendees are also quilters, if you attractively package your item as a gift ready to be given, people will be drawn to it.

Greeting cards made with a mini quilt block.

Pouches and bags

Hand knitted items: Not everyone who quilts, knits!

Submission of Items

On Thursday, November 3rd, 8-10 a.m. we will be checking in your items for the boutique. The submission form needs to be completed prior to your arrival at the drop off. We will have 4 or 5 people on hand to check in your items to ensure a smooth drop-off.

Unsold Items: will not be available for pick up until AFTER the quilt show has been cleaned up. All hands are needed for this final task. If for some unforeseen, dire circumstance you will not be there for clean up, please indicate on your form the name of the person who is authorized to pick up your items.

PLEASE NOTE: The form must be completed prior to drop off, on Thursday, November 3rd between 8 and 10 a.m. In an effort to make the drop off experience smooth and efficient, we will have three or four people on hand to check in your items.
