The President's Message

Marian Bressel

Every Spring I load up my van and head south to vend at the quilt show in Paducah, Kentucky. Paducah is probably the second largest quilt show in the country, beaten only by Houston. They are very different; Houston is in a very large convention center in the middle of the 4th largest (by population) city in the country, while Paducah is held in a small town of about 30,000. The atmosphere in each is also different: it seems that while the Houston show is larger, the city doesn't go out of its way to accommodate quilters. Paducah is delighted to have us there; "Welcome Quilters" signs are all over town, quilts are hung in shop windows, small houses turn themselves into casual restaurants, there are church suppers and a trolley between the convention center and the area with motels. (Guess which show I enjoy most!). Everyone should try to go to one of the major shows once in his/her lifetime. The quilts are always amazing, and the vendors bring wares you probably can't find locally (how about cork piping in natural or black).

Behind each of these shows is a whole unseen army of people. They receive the quilts, order the pipe and drape, hang the show, arrange for electricity and internet, deal with cranky vendors and clueless show-goers, arrange classrooms, teachers, and special exhibits, and generally make sure that the attendees have no idea of how much work all of this is.

Our upcoming quilt show is no different. It takes our (also unseen) small army of volunteers to do all the tasks that go on in a big show. Our show is known for the creativity of our members, and always gets excellent reviews from our attendees. The quilt show is our largest income producer, and it needs the input of all our members. When our show committee asks for your help, please raise your hand. Maybe even volunteer before you are asked!

Special Project – Carol MacFarlane and Gayle Coit

Please join us in a new project to aid the people of Ukraine during this terrible time of war. We ask that every guild member make blocks either 3", 6" or 9" finished (3 1/2", 6 1/2" and 9 1/2" unfinished) using the colors of their flag (See below) in various values.

We will collect these blocks at our meeting on June 8th and arrange them into pleasing designs at the meeting. Various guild members have volunteered to piece them and quilt them. So go to your stash and/or buy some fat quarters and let's get started. Any block will do—log cabins, four patch, nine patch, friendship star, pinwheel, whatever!

If you can't make it to the June 8th meeting, please arrange to drop them off with a fellow member or contact Carol or Gayle. Thank you.

Elana Schreiber, Sally Duscha

Medallion quilts will be revealed Wednesday, June 8th, 7 pm on zoom. Come see how members interpreted the design clues, chose new fabrics and pulled the elements together. The clues for the borders have been: square, triangle, cross, circle and wildcard. As you can imagine there is lots of scope for interpretation and artistry. Come see our medallion quilts.

***Anyone interested in doing a summer mystery, please mail a check for \$15 to Elana Schreiber (see address in our membership book). The name of the summer mystery is Run for the Border. If interested, email Elana.

Rosie's Place

Katheen McIsaac

Another call for toiletries for Rosie's... Something else that would be gratefully received is Toothpaste. That would complete some of the unfinished Care Packages they have been collecting. Just drop them off in the bin at our next meeting.

Comfort Quilts

Eileen Ryan

Quilts are starting to move out the door with the addition of Household Goods as a receiver of your quilts. I got a lovely note from one of the volunteers there saying how appreciative everyone was of your work and how lucky the recipients felt to be wrapped in the warmth you provided them. 12 more kids' quilts went to Emerson pediatrics, leaving me with no more....

I will have kits for the little black and white mats we make for Emersons Special Care Nursery at the meeting. They don't take long to make and serve a useful purpose for the tiniest babies. Emerson has also asked for pediatric pillow cases and Maura is coordinating with her contact about providing them to Emerson once again. So, break out your fun kid prints and make a few of those, too. I'll bring copies of the directions Marian made for us years ago.

Household Goods Sewing Kits

Suzanne Knight and Tina van Roggen

This is an ongoing project for making sewing kits for Household Goods in Acton. We are especially looking for scissors and tape measures right now.

But the following is the full list:

Sturdy containers (metal, plastic) with lids to hold the supplies, tape measures, scissors (particularly 6" or less, though all sizes are fine. (No pinking shears please), thread*** (any color, partial spools are fine), pins, safety pins, needles, and buttons that you are going to throw away. Also useful are very tiny boxes for pins, and bobbins or small embroidery floss cardboard organizers to wind thread on.

***Partial spools of thread - all types, colors are VERY welcome. Some of the thread only needs enough length to sew on a few buttons or make a hem. Please - no general crafting supplies, however. Contact Tina or Suzanne if you have any donations.

We are delivering up to 45 kits a month, so all donations are appreciated!
