

Meetings

Evening meetings are held at the Harvey Wheeler Center in West Concord, MA.

We meet monthly from September to June, usually on the third Wednesday of the month. Speakers are chosen to inspire us with their quilts and new techniques. Several workshops by speakers are offered during the year. Members at all levels of quilting experience benefit.

Included in each meeting is a show-and-tell session where members share the stories and techniques of their quilts.

We welcome new members anytime!

History of the Concord Piecemakers

The Concord Piecemakers Guild was founded in 1980 by seventeen women with the intent of sponsoring an exhibit of quilted items which would encourage interest in quilting and provide quilters with an opportunity to display their art. The guild has expanded, both in size and intent, to include yard sales, presentations by well-known quilters, and community service projects.

Comfort Quilts

Comfort quilt activities are an important function of the guild. Over 100 quilts are donated annually. Members meet throughout the year to work together on comfort quilts. Fabric is donated by members and generous quilt shops. Additionally, a yearly Quiltathon gathers members to assemble and quilt the comfort quilts.

Comfort Quilt Recipient Organizations

Naka Cancer Center at Emerson Hospital, Emerson Hospital Pediatrics Wing, Emerson Hospital Special Nursery, Bedford VA Hospital, and Household Goods.
