

UFO Challenge

We are hosting a UFO Challenge for the 2025-2026 Year. We have a quilt Show in the Fall of 2026; so consider this a good incentive to be ready!

Quilts must have been begun prior to January 1, 2025 and work must be completed after this challenge announcement (June 11, 2025) and before June 1, 2026.

Quilts will be considered as finished once all quilting is done, binding is on, and if used a label is attached.

Slips are available to be filled out once your UFO is finished. Please return your slips to Léonie Davis either at the meeting or if easier via an email to leoniedavis@mac.com and either way attach a photograph of your finished quilt. All entries to be submitted by June 1, 2026

There will be 3 prizes; winners to be announced at the June 2026 meeting.
